Again, I need to know when the money will be on the card to AVOID another late fee scheduled for Friday.  
Tony

Hi Tony,

i have spoken to a lawyer about this situation & i will need to figure this stuff out before making any more payments towards this account. i am not sure if he will need to contact you because he didn't ask for any other information besides the insurance company i dealt with back in 2019.

Again, I'll need an answer before Friday

sure.
